

AIM FOR EXCELLENCE

SLIM **WOOD**
Slats

SLIM WUD

Slats

Fluted wooden panels that feature vertical grooves or indentations in the surface of the wood, visual interest, texture, and style to a room.

Natural Product

Fluted wooden panels are crafted from natural wood, showcasing the unique grains & variation in colour in each plank enhancing the natural beauty.

Finish

These wooden panels can be finished with various types of stains, paints, or varnishes, and can be paired with other materials or used as a stand alone feature.

Available in 10 feet and 9 feet against order.
