## Indigenous — Radiant — Ombre

Colour is a visual language that can have lasting symbolic, physical and emotional effects. Colours are the factor in designing a successful space.

If you are in Japan, you will fall in love with the beautiful colour and rich scenery, the red torii of Shinto shrines, vibrant neon Harajuku fashion and the pastel blues of Edo - era art. With the tones of today and technology of tomorrow. IRO archive is bringing the creation of solid color laminate into a New Era.

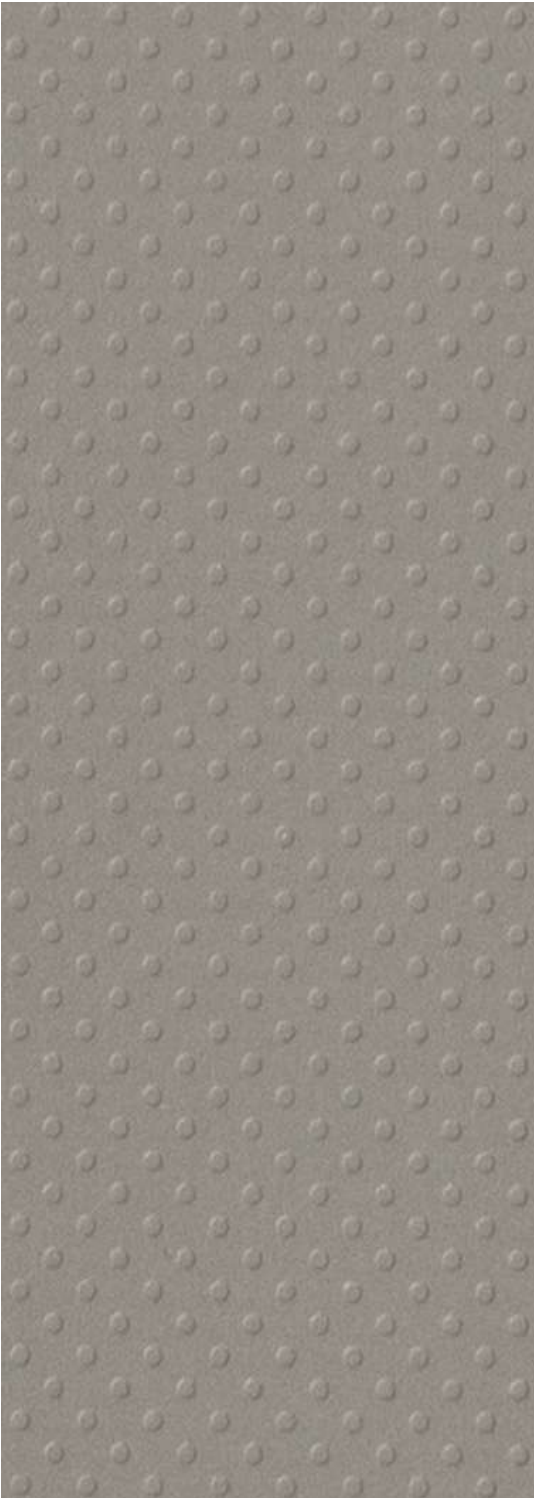

Presenting you the Indigenous - Radiant - Ombre collection from AIM Laminate. Next time you think colour, think IRO.

## Features

Easy to maintain

Durable

Attractive

Quick installation

Hygienic & safe

Moisture resistant

Abrasion resistant

Termite resistant

## Technical Specifications

**Product:** Paper based decorative laminate sheets

**Thickness :** 1.00MM      **Size:** 2440MM X 1220MM      **Grade:** Standard

**Durability:** AIM Laminate is manufactured with latest technology and develop through rigorous R&D.

**Care:** Cleaning should be carried out with a soft moist cloth and warm soap solution, don't use detergents containing abrasive particles or excess soda.

**Limited warranty:** The company warrants that its products are reasonably free from manufacturing defects. It excludes damage resulting from accidents, lack of care, improper use and/or any alterations. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only.

### Note:

1. Sample presented are indicative of color, pattern and texture. It is advisable to see full sheet in case of doubt in design.
2. Finishes other than shown in this catalog, are available on request.
