Its **W**ood ————— Its **U**nique ————— Its **D**ifferent

If you see the history of wood and mankind, you will witness a remarkable relationship between two species, which started with wood becoming our survival tool, be it fire, shelter or power.

Today, wood has evolved into a more aesthetic and luxurious part of our life. Our love for the outdoors reflects in our indoors. This is a collection of experiences, each in its own way is distinctively different.

A variety of 27 different types of experiences, from various locations of the world. Flip to get in "Touch" with different artworks of mother nature.

Wood is cherished across the world
as a symbol of wisdom, strength,
and endurance.

So is our **AIM**

Technical Specifications

Product: Paper based decorative laminate sheets

Thickness : 1.00MM **Size:** 2440MM X 1220MM **Grade:** Standard

Durability: AIM Laminate is manufactured with latest technology and develop through rigorous R&D.

Care: Cleaning should be carried out with a soft moist cloth and warm soap solution, don't use detergents containing abrasive particles or excess soda.

Limited warranty: The company warrants that its products are reasonably free from manufacturing defects. It excludes damage resulting from accidents, lack of care, improper use and/or any alterations. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only.

Note:

1. Sample presented are indicative of color, pattern and texture. It is advisable to see full sheet in case of doubt in design.
2. Finishes other than shown in this catalog, are available on request.
